

2009 Nanoose Peninsula Water Conservation Challenge

OFFICIAL ENTRY FORM

For the period May 15 through September 15, 2009

Register by phoning Pam @ 250-468-1579

Requirements

- You must live in the Nanoose Peninsula Water System (Fairwinds, Gary Oak, Madrona, Red Gap, Beachcomber, etc)
- You must receive a water bill from the Regional District of Nanaimo
- You must complete the section below itemizing all the indoor and out-door water saving methods you used during this summer.
- If you are selected as a winner, the FCA and the RDN would like to publicize your water saving methods with your written permission.
- **You must complete and submit this form, postmarked by Oct 2, 2009.**

Send completed form to Conservation Challenge Contest
2064 Radford Place, Nanoose Bay, B.C. V9P 9H4

All entries will be reviewed by the FCA Water Conservation Committee.

Winners will be determined on the basis of the reduction in water volumes used during summer 2009 over summer 2008. The largest reduction in volume and in percentage will be awarded prizes.

2008 May-September Consumption _____

2009 May-September Consumption _____

I used the following methods, and/or installed the following water saving devices to reduce my total water consumption: (use back of page if necessary)
